Guy Barnett, Liberal Member for Lyons

Vale Deidre Flint OAM

Deidre Flint OAM was an outstanding advocate for the Central Highlands and fought for her community like a 'dog with a bone'.

Deidre supported many causes and her two decades of service in local government was a stellar performance. I had the pleasure of working closely with Deidre over many years in her role as Mayor of the Central Highlands Council and also in the Liberal Party.

Deidre was a passionate advocate for her community supporting so many individuals and organisations. She will be missed.

I wish to extend my deepest sympathies to family and friends of Deidre.
