

Guy Barnett

Liberal for Lyons

Welcome to the latest edition of my E-news.

Tasmania has labored long enough. Now is the time to turn things around with a Liberal Majority Government.

In less than nine weeks Tasmania will get its chance to pass judgement on the failed Labor-Green Government now that Premier Lara Giddings has finally bowed to pressure and set the election for March 15. It is indeed a thrill to be fighting my first State campaign as an endorsed Liberal candidate for Lyons after my Senate career from 2002 - 2011, managing Eric Hutchinson MHR's successful Lyons campaign and helping other Liberals since 1982.

Everywhere I go throughout the electorate I am hearing stories from everyday people of how Labor and the Greens have impacted negatively on their lives.

We have a State economy in free-fall, the worst unemployment rate in the nation, a decimated forest industry and businesses being strangled by unnecessary red and green tape.

It is a disgrace and only a Liberal Majority Government under the leadership of Will Hodgman can save Tasmania.

That is why I need your help.

If there is anyway you can help me and my team – whether by offering poster sites, erecting posters, helping with door-knocking or letter-boxing or even contributing financially – it would be greatly appreciated. There are a number of important tasks that need to be undertaken with polling day fast approaching.

Under Will's leadership the State Liberals have already unveiled an

exciting plan and vision for our State.

A plan to tackle the jobs crisis through a growing economy backed by our competitive strengths in industries such as agriculture, aquaculture, forestry, mining and tourism.

A plan to grow the economy by cutting red and Green tape, implementing a single state-wide planning scheme and restoring an international shipping service.

The Liberals will cut waste and create a more efficient public service.

There will be more police, more doctors and nurses and better education outcomes, by extending high schools to year 12.

Together we can achieve a bright new future for the State we dearly love.

To keep up to date with my campaign head over to my website www.guybarnett.com.au I also have a Facebook campaign page - Guy Barnett, Liberal for Lyons.

I encourage you to share your views with me and to share my sites with your friends and colleagues.

Kind regards
Guy
