

## Letter to the Editor

20 November 2013

Dear sir/madam,

Labor Premier Lara Giddings publicly promised in 2011 that there would be no forest peace deal agreement unless the agreement included support for a pulp mill.

Now two of the agreement signatories, the Wilderness Society and Environment Tasmania, have joined the 'No Pulp Mill Alliance' to publicly protest against any pulp mill development in Tasmania and to warn off potential investors.

It is obvious the Greens run the government. It is time for change.

Kind regards
