## 2019 Deloraine Street Car Show

It gave me great pleasure to support the 2019 Deloraine Street Car Show by providing a \$2000 grant to help the organising team promote this fantastic event held across the 16<sup>th</sup> and 17<sup>th</sup> of February.

I was on hand this year helping draw raffle prizes, before taking the time to thoroughly enjoy a day of local produce, entertainment, and of course admiring classic automobiles.

In its 4<sup>th</sup> year, the 2019 Deloraine Street Car Show is the only street-based car show in Tasmania. As such, the main street of Deloraine was closed to allow patrons from across Tasmania and interstate to get up close and appreciate these magnificent vehicles in a safe environment.

Hosted by the Van Diemens Street Rod Club, hundreds of pre-1988 vehicles were on display, along with live bands, kids entertainment and plenty of attractions creating a great day out for the whole family and supporting local businesses.

These special interest vehicles are an historic link to our motoring past, and can be appreciated as works of art, with many painstaking hours put into restoring and preserving these cars.

The Hodgman Liberal Government is committed to working with and supporting regional areas and ensuring that all Tasmanians can share in the benefit of a strong economy and sound financial management.
