# Support for families and those in need

I believe Tasmania is the best place in the world to live.

However, many families, the elderly, unemployed, veterans, small businesses and others are doing it tough. What can you do to help?

This Summer, I encourage you to spare a thought or give a gift to someone in need.

On behalf of my family, may I wish you all the best for the challenges and opportunities in 2014.

Please stay safe this Summer and feel free to make contact.

Have you thanked a volunteer recently?

A special thank you to our emergency service volunteers.

## WATER SAFETY

### Stay safe in the water this Summer

- Always use life jackets when boating
- Join toddlers up to learn-to-swim classes
- Supervise children at the pool or beach
- Be aware of children with inflatable toys - the wind can blow them away
- Fence the pool with a child proof gate latch
- Don't let children dive into unsafe water sources
- Learn first aid and what to do in case of a drowning threat

## SAFE DRIVING

### If you are the holiday driver

- Check the tyres, water and oil before you leave
- Get a good nights sleep before your trip
- Don't speed - you're on holidays!
- Use overtaking lanes for safe passing
- Drowsy? Pull over and walk around - enjoy the scenery!
- A taxi is cheaper than a drink driving conviction
