Guy Barnett, Liberal Member for Lyons

Presentation of Tasmanian Flag to Deloraine Bowls Club

Community and recreational groups play an important part bringing communities together to take part in activities, learn new skills, and keep active.

I recently visited the Deloraine Bowls Club, a great example of a club in a regional area promoting an active and healthy lifestyle.

The bowls club has a membership of approximately 85 people, competing in different divisions at both local and interstate competitions.

I was pleased to present the Deloraine Bowls Club with a Tasmanian Flag, which will be flown on competition days at the club and when competing interstate.

I would like to wish all members the best of luck for 2018.
