## 2018 Deloraine Street Car Show

Last week I was pleased to provide a \$2000 grant to the Deloraine Street Car Show to help support and promote this fantastic event.

This year's event will be held on 18 February, and will be sure to be another enjoyable day of fun, entertainment, and of course admiring classic automobiles.

The 2018 Deloraine Street Car Show will be the 3<sup>rd</sup> annual event, and is the only street-based car show in Tasmania. As such, the main street of Deloraine will be closed for cars to be displayed and provide a safer environment to revellers.

Hosted by the Van Diemens Street Rod Club, over 500 pre-1988 vehicles are expected to be on display, giving motoring enthusiasts plenty of classic automobiles to appreciate.

These special interest vehicles are an historic link to our motoring past, and can be appreciated as works of art, with many painstaking hours put into restoring and preserving these cars.

And, with four live bands, a DJ, kids entertainment and local shops open for business, there will be plenty of attractions for everyone to enjoy.
