

## *An open letter to the Voters of Lyons,*

This Tasmanian State election is the most important in a generation. We can keep going the same way or we can change.

Across regional Tasmania people are telling me that enough is enough. But on election day, the choice is yours.

The current Labor/Green government has been anti-jobs and anti-development, leaving Tasmanians with a record debt and the highest unemployment in Australia. Timber communities in particular have been hit hard.

**To change Tasmania we must change the government.**

Only the Liberals can provide the strong and stable majority government Tasmania needs.

As a Senator, I fought hard for Tasmania. I love my community and want it to prosper.

It is time to declare **Tasmania open for business**. With our plan to grow the economy and create jobs we will cut the red and green tape and fix the budget mess.

We will rebuild our essential services including health, education and police.

It is time for change, and a brighter future.

On Saturday 15 March, I ask you to **vote 1 Guy Barnett and vote 2 to 5 for other Lyons Liberal candidates in the order of your choice.**

**For Tasmania's sake, vote Liberal!**
