Guy Barnett, Parliamentary Secretary to the Premier

Brian Harradine

Brian Harradine was passionate and wily, whose Christian faith shone like a beacon, said Guy Barnett, Parliamentary Secretary to the Premier and former Senator.

“He was a fighter for Tasmania and got results. He stood up for the rights of the unborn child and human dignity.

“I had the pleasure of working with Brian during my time as a Senator for Tasmania, especially during the debates on cloning stem cell research and initiatives to protect human life. We share a common love of the outdoors and our Christian faith.

My sympathies are extended to his extensive family.”
